

STAINLESS STEEL/PROTECTION AGAINST DUST AND WATER SPLASHES IP65...68

PROFESSIONAL MEASURING

12,351 kg

2015

KERN Pictograms

Internal adjusting:

Quick setting up of the balance's accuracy with internal adjusting weight (motordriven).

Recipe level A:

Separate memory for the weight of the tare container and the recipe ingredients (net total).

Suspended weighing:

Load support with hook on the underside of the balance.

Adjusting program CAL:

For quick setting up of the balance's accuracy. External adjusting weight required.

Recipe level B:

Internal memory for complete recipes with name and target value of the recipe ingredients. User guidance through display.

Battery operation:

Ready for battery operation. The battery type is specified for each device.

Memory:

Balance memory capacity, e.g. for article data, weighing data, tare weights, PLU etc.

Recipe level C:

Internal memory for complete recipes with name and target value of the recipe ingredients. User guidance through display. Additional convenient functions, such as barcode and back calculation functions.

Rechargeable battery pack:

Rechargeable set.

Data interface RS-232:

To connect the balance to a printer, PC or network.

Mains adapter:

230V/50Hz in standard version for EU. On request GB, AUS or USA version available.

RS-485 data interface:

To connect the balance to a printer, PC or other peripherals. High tolerance against electromagnetic disturbance.

Totalising level A:

The weights of similar items can be added together and the total can be printed out.

Power supply:

Integrated in balance. 230V/50Hz standard EU. More standards e.g. GB, AUS or USA on request.

USB data interface:

To connect the balance to a printer, PC or other peripherals.

Totalising level C:

Internal memory for complete recipes with name and target value of the recipe ingredients. User guidance through display. Additional convenient functions, such as barcode and back calculation.

Strain gauges:

Electrical resistor on an elastic deforming body.

Bluetooth data interface:

To transfer data from the balance to a printer, PC or other peripherals.

Tuning fork principle:

A resonating body is electromagnetically excited, causing it to oscillate.

WLAN data interface:

To transfer data from the balance to a printer, PC or other peripherals.

Percentage determination:

Determining the deviation in % from the target value (100 %).

Electromagnetic force compensation:

Coil inside a permanent magnet. For the most accurate weighings.

Control outputs

(optocoupler, digital I/O):

To connect relays, signal lamps, valves, etc.

Weighing units:

Can be switched to e.g. nonmetric units at the touch of a key. See balance model. Please refer to KERN's website for more details.

Single cell technology:

Advanced version of the force compensation principle with the highest level of precision.

Interface for second balance:

For direct connection of a second balance.

Weighing with tolerance range:

Upper and lower limiting values can be programmed individually for e.g. dosing, sorting and portioning.

Verification possible:

The time required for verification is specified in the pictogram.

Network interface:

For connecting the scale to an Ethernet network. With KERN products you can use a universal RS-232/LAN converter.

Vibration-free weighing:

(Animal weighing program)

When the weighing conditions are unstable, a stable weight is calculated as an average value.

DAkkS calibration possible:

The time required for DAkkS calibration is shown in days in the pictogram.

GLP/ISO log:

The balance displays the weight, date and time, regardless of a printer connection.

Protection against dust and water splashes IPxx:

The type of protection is shown in the pictogram. For details see the glossary.

Package shipment:

The time required for internal shipping preparations is shown in days in the pictogram.

GLP/ISO log:

With weight, date and time. Only with KERN printers, see "Accessories"

ATEX explosion protection:

Suitable for use in hazardous industrial environments, in which there is explosion danger. The ATEX marking is specified for each device.

Pallet shipment:

The time required for internal shipping preparations is shown in days in the pictogram.

Piece counting:

Reference quantities selectable. Display can be switched from piece to weight.

Stainless steel:

The balance is protected against corrosion.

Warranty:

The warranty period is shown in the pictogram.

KERN – measuring technology and testing services from a single source

Balances & Test service catalogue

Provides a complete overview of the KERN line of balances, test weights, and services.

Medical scales catalogue

Complete line of medical scales, from infant scales to professional patient scales, chair scales and adiposity scales, as well as innovative hand grip dynamometers, chemist's balances, and veterinary scales.

Microscopes & refractometers catalogue

Extensive range in the area of optical instruments, such as, for example, biological microscopes, stereo microscopes, metallurgical microscopes, polarisation microscopes as well as analogue and digital refractometers.

SAUTER measuring equipment catalogue

Test instruments for industry and commerce, such as force, coating thickness, material thickness, and hardness measuring systems.

KERN DAkkS calibration service brochure

Detailed information on topics pertaining to the calibration of balances, test weights, and force measuring devices.

KERN branch prospectuses

Compact overview of the best-sellers for many different lines of business – just the balances your customers need!

The gnome guide

Travel report from KERN, the famous scientific gnome, who travelled all over the world, in order to illustrate the physical law of gravitational force. Ideal for use in school education – please request, it's free of charge.

170 years of KERN

Interesting and readable overview of the history of the origins of Southern German balance manufacturing, as well as the company history, which stretches right back to 1770 – please request, it's free of charge.

Your advantages

Quick Delivery

Items in stock are sent the same day if orders are placed before 1:00 pm (valid for parcel service delivery within the EC).

Price performance ratio

KERN scales are always an inexpensive alternative. They are durable, uncomplicated and easy to place into operation.

Direct dispatch

of ordered goods to your customer is available, with personalised delivery note if desired (please ask), invoice will be issued to you (third party business).

3 years warranty

Items under € 400,-

No stock-keeping necessary.

KERN does the warehousing for you.

Sale or return

within 14 days of purchase.

Stainless steel / Protection against dust and water splashes IP65...68

WTB-N	70	FXN	74
Ideal for the food industry, thanks to its IP65 protection and special checkweighing display, now also with EC type approval [M]		Robust, space-saving bench scale, stainless steel and IP68 protected

FFN-N	73		
Robust, space-saving bench scale, stainless steel and IP65 protected, also with EC type approval [M]			

KERN scales – not scared of water at all!

Scales used in industrial situations are often exposed to extreme stresses and strains. Water, oils, fats, varnish, dust, dirt, flour, small parts, etc. are all natural enemies of a scale. In industries such as the chemical, pharmaceutical, food, manufacturing industries, etc. scales must be able to cope with these stresses without this affecting their performance.

For use in such harsh environmental conditions, levels of protection are defined, which specify which environmental stresses a system can be exposed to with respect to the level of contact, foreign object and moisture protection, without damage being caused to the unit. These levels of protection are described in the following standard: "DIN EN 60529: protection types through housing" The IP code usually consists of a two-digit combination, which gives the relevant level of protection, e.g. IP68. The first digit specifies the protection level for contact protection and protection against foreign bodies (dust protection), the second digit is for the water and moisture protection (protection against splashes of water).

The stainless steel weighing plates of the IP65...68 protected KERN stainless steel balances meet the 1.4301 (DIN X5CrNi18-10) standard and support you in your HACCP-compliant quality system.

Your KERN product specialist will be happy to help:

Tobias Baiker
Product specialist Stainless steel

IP protected bench scale KERN WTB-N

06

Ideal for the food industry, thanks to its IP65 protection and special checkweighing display, now also with EC type approval [M]

Features

- **Suitable for the ever-increasing hygienic requirements in the food industry**
- **IP65:** Protected against dust and water splashes (only when using rechargeable battery pack)
- Weighing plate stainless steel, removable, for easy cleaning
- Your support in an **HACCP**-compliant quality system
- **Second display** on the rear of the balance
- **Innovative weighing with tolerance range (Checkweighing):** The colour of the display changes depending on the weight (too light/ok/too heavy) and is an aid to help with portioning, dosing and grading

- **High mobility** thanks to its rechargeable batteries (optional) and low weight
- **Recessed grips on the underside** of the scale for easy transportation

Technical data

- Large backlit LCD display, digit height 25 mm
- Weighing plate dimensions WxD 260x200 mm
- Overall dimensions WxDxH 286x316x126.5 mm
- Net weight approx. 3,2 kg
- Permissible ambient temperature -10 °C / 40 °C

Accessories

- **Protective working cover** over keyboard and housing, can be retrofitted, KERN RFB-A01, **€ 25,-**
- **Rechargeable battery pack internal**, operating time up to 50 h, charging time approx. 12 h, can be retrofitted, KERN WTB-A01N, **€ 35,-**
- **Tare pan made of stainless steel**, ideal for weighing loose fruit and vegetables, WxDxH 370x240x20 mm, for details see page 161, KERN RFS-A02, **€ 50,-**
- **Sturdy transport case** to protect and store the scale, dimensions WxDxH 510x360x220 mm, for details see page 162, KERN RFB-A02, **€ 95,-**

IP protected bench scale KERN FFN-N

Robust, space-saving bench scale, stainless steel and IP65 protected, also with EC type approval [M]

Features

- **Ideal for the food industry**
- **Ideal for robust industrial appl.**
- **High mobility:** thanks to battery operation, compact construction and low weight, it is suitable for use in several locations such as production, kitchen, sales office etc.
- **Stainless steel housing,** rust-proof and easy to clean
- **Recessed grips on the underside** of the scale for easy transportation
- **IP65:** Protected against dust and water splashes (only when using rechargeable battery pack)

- Your support in an **HACCP**-compliant quality system

Technical data

- Large backlit LCD display, digit height 25 mm
- Weighing plate dimensions stainless steel, WxD 230x190 mm
- Overall dimensions 230x300x130 mm
- Rechargeable battery pack internal, standard, operating time up to 50 h without backlight, charging time approx. 12 h
- Net weight approx. 3,2 kg
- Permissible ambient temperature 0 °C / 40 °C

Accessories

- **Tare pan made of stainless steel,** ideal for weighing loose small parts, fruit, vegetables etc., WxDxH 370x240x20 mm, for details see page 161, KERN RFS-A02, € 50,-

Robust, space-saving bench scale, stainless steel and IP68 protected

Features

- **Ideal for the food industry**
- **Ideal for robust industrial application**
- **IP68 protection:** very high class of protection against dust and water. Making it very robust and durable. Ideal for harsh ambient conditions. Submersion in water actually possible
- **Stainless steel housing,** rust-proof and easy to clean
- **Very fast display:** steady weight values within 2 sec
- **High mobility:** Battery operation, compact construction and low weight make this balance ideal for use in several locations (production, kitchen, sales office etc.)
- **Recessed grips on the underside** of the scale for easy transportation

- **Weighing with tolerance range (checkweighing):** Input of an upper/lower limit value. A visual and audible signal assists with portioning, dispensing or grading
- Your support in an **HACCP**-compliant quality system

Technical data

- Large backlit LCD display, digit height 25 mm
- Weighing plate dimensions, stainless steel, WxD 236x195 mm
- Overall dimensions WxDxH 240x280x120 mm
- Ready for use: Batteries included, 4 x 1.5 V Size D, operating time up to 200 h, AUTO-OFF function to preserve the batteries, can be switched off
- Net weight approx. 3,5 kg
- Permissible ambient temperature 0 °C / 40 °C

Accessories

- **Tare pan made of stainless steel,** ideal for weighing loose small parts, fruit, vegetables etc., WxDxH 370x240x20 mm, for details see page 161, KERN RFS-A02, € 50,-

Stainless steel platform scales KERN SFB · SFB-H

1 KERN SFB

3 KERN SFB-H

Stainless steel platform scales with IP65 protection, also with XL platform or EC type approval [M]

Features

- Ideal for robust industrial application
- Scale entirely out of stainless steel
- **Load cell stainless steel**, silicone-coated, IP67
- **Display device: IP65** (only when using rechargeable battery pack)
- only SFB-H: **Stand** to elevate display device, standard, for models with weighing plate size 300x240 mm: height of stand approx. 200 mm 400x300 mm: height of stand approx. 400 mm, **enlarged picture**

- Your support in an **HACCP**-compliant quality system

Technical data

- Large backlit LCD display, digit height 52 mm
- Dimensions of display device WxDxH 266x165x96 mm
- Cable length of display device approx. 2 m
- Rechargeable battery pack internal, standard, operating time up to 35 h without backlight, charging time approx. 12 h
- Permissible ambient temperature SFB: 0 °C / 40 °C, SFB-M: -10 °C / 40 °C

Accessories

- **Data interface RS-232**, interface cable included, approx. 1.5 m, must be ordered at purchase, KERN KFN-A01, **€ 95,-**
- Only SFB: **Stand** to elevate display device, to be screwed onto the platform, height of stand approx. 600 mm, KERN SFB-A01, **€ 70,-**
- **Suitable printers** an extensive accessories range, see page 157 ff.

Technical data

- Large backlit LCD display, digit height 55 mm
- Weighing plate dimensions, stainless steel, WxDxH
 - 300x240x86 mm, ■ 400x300x89 mm
 - 500x400x135 mm, □ 650x500x133.5 mm
- Dimensions of display device WxDxH 232x170x80 mm
- Cable length of display device approx. 2,5 m
- **Rechargeable battery pack internal** standard, operating time up to 80 h without backlight, charging time approx. 12 h

Stainless steel platform scale with stainless steel IP68 display and EC type approval [M]

Features

- **Ideal for robust industrial application**
- Substruction in wing design, extremely resistant to bending, stainless steel
- **Scale entirely out of stainless steel** with IP68 protected display device, very high class of protection against dust and water. Ideal for harsh environmental conditions, industrial applications or the food industry, hygienic and easy to clean. Display device with integrated power supply. Wall mount standard. For further details on the KERN KXS-TM display device, see page 136

- **Load cell stainless steel**, silicone-coated, IP67
- **Superior display size:** digit height 55 mm. Bright backlight for easy reading of weight, even in poor lighting conditions
- Thanks to the RS-232, RS-485 and Bluetooth (optional) interfaces, the scale can easily be connected to existing networks. Data exchange between the scale and PC or printer is made easier
- **ESD drain to protect against electrostatic discharge** e.g. for electrostatically-charged weighing items or people working with the scale

Accessories

- **Data interface RS-232**, must be ordered at purchase, KERN KXS-A04, € 40,-
- **Data interface RS-485**, must be ordered at purchase, KERN KXS-A01, € 80,-
- **Bluetooth data interface** for wireless data transfer to PC, must be ordered at purchase, KERN KXS-A02, € 100,-
- **Foot switch**, must be ordered at purchase, details see page 160, KERN KXS-A03, € 65,-
- **Suitable printers** see page 157 ff.

KERN – Tradition and Innovation for over 170 years

An independent family business, KERN since already 6 generations is synonymous with quality and reliability in customer service.

fast

- 24 hours delivery service – ordered today, on its way tomorrow
- Sales & service hotline available from 8:00 am to 6:00 pm

reliable

- 3 years warranty for balances over € 400,-
- Precision in weighing technology for more than 170 years

competent

- DAkkS accreditation
DIN EN ISO/IEC 17025
- Certified QM system
DIN EN ISO 9001:2008
- Authorisation for initial verification by the manufacturer
2009/23/EC
- Medical certifications
DIN EN ISO 13485 and
93/42/EEC

versatile

- One-stop shopping: from pocket balances through to floor scales – everything from one supplier
- Find the product you want at lightning speed with the “Balance Quick-Finder” at www.kern-sohn.com
